Welcome to Florida Hospital Heartland

A Message from Our President & CEO

Welcome to the latest edition of the Florida Hospital Heartland Medical Center and Florida Hospital Wauchula Physician Directory.

We are proud of our quality team of physicians that serve our community. So, it is with pleasure that we now present our latest Physician Directory as a community service to assist you when choosing a health care provider.

In this changing era of health care, we believe that it is important for you to be well informed when selecting a physician, hospital or health care service.

For more than 60 years, we have grown right along with the Heartland community, adding services, new technology and creating greater access to health care. Our hospitals, physicians and services consistently rank in the top percentile of the national NCR ratings. While we frequently receive compliments on our facilities, convenience and new technology, the highest compliments we receive relate to the compassionate care our doctors and staff provide to you.

Florida Hospital Heartland Medical Center and Florida Hospital Wauchula's medical staff represent a broad range of services in many different medical, surgical, diagnostic and rehabilitation specialties. All of our physicians meet the high standards required by us to care for you. Florida Hospital Heartland Medical Center and Florida Hospital Wauchula are both accredited by the Joint Commission and many of our programs have additional recognition by other national certifying agencies.

For up to the minute information about our medical staff, programs and services, please visit our website at www.fhheartland.org. Thank you for your interest in Florida Hospital Heartland Medical Center and Florida Hospital Wauchula. We hope you will find this Physician Directory to be a valuable health care resource. It's one more way we are following our Mission to Extend the Healing Ministry of Christ.

To Your Health,

Tim Cook

President & CEO

Florida Hospital Heartland Medical Center
and Florida Hospital Wauchula

Our Mission

The Mission of Florida Hospital Heartland Medical Center and Florida Hospital Wauchula and its affiliates is to serve our community by providing quality health care services and promoting wellness and healthful living.

- We seek to deliver our services with compassion and understanding.
- We strive to deliver our services efficiently, using the highest level of technology available to us and keeping in mind our customer's need for cost containment.
- To ensure the best possible outcomes, we will promote quality, cost containment and service excellence among all who are involved in serving our customers.
- Our services will be provided to all in need of medical assistance without discrimination.
- We offer our services in an environment where physical, mental and spiritual healing are promoted and where everyone is treated with courtesy and respect.
- We will fulfill this mission with a Christian spirit and to the best of our abilities.

Our Values

Florida Hospital Heartland Medical Center and Florida Hospital Wauchula draw motivation and direction from six strongly held principles. These principles guide the manner in which we treat each other and those we serve.

- **Christian Mission:** We exist to serve the needs of our communities in harmony with Christ's healing ministry and incorporate Christian values at every level of service.
- **Quality & Service Excellence:** We strive to meet or exceed both the service standards of the health care industry and the expectations of the patients we serve and measure our success through continuous surveying of patient satisfaction.
- **Compassion:** We are sensitive to the needs of the individuals and families we serve and meet their needs with kindness and empathy.
- **Focus on Community Wellness:** We commit time, talent and financial support to educate our neighbors in the principles of illness prevention and healthful living.
- **High Ethical Standards:** We conduct our business with integrity, honesty and fairness. As responsible stewards, we use our financial resources wisely by choosing business practices which are cost-effective, productive and result in a fair return on investment.
- **Cultural Diversity:** We value the diversity of our patients, employees, business colleagues and visitors and treat them with kindness and respect regardless of their background, race, religion or culture.
